

# Def Leppard, Foolin'

Lady luck never smiles  
So lend your love to me, awhile  
Do with me what you will  
Break the spell take your fill

On and on we rode the storm  
The flame has died, the fire has gone  
Oh, this empty bed is a night alone  
I realized that long ago

Is anybody out there? Anybody there?  
Does anybody wonder? Anybody care?

Oh, I just gotta know  
If you're really there and you really care  
'Cause baby I'm not

F-F-F-Foolin', Ah F-F-Foolin'  
Not F-F-F-Foolin', Ah F-F-Foolin'

Won't you stay with me awhile

close your eyes don't run and hide  
Easy love is no easy ride  
Just wakin' up from what we had  
Could stop good love from going bad
