

# Def Leppard, Tonight

Ohhhh...Oooooh...

I don't wanna play  
The waiting game  
And drift away  
Leavin' an illusion  
I don't wanna hide  
It's foolish pride  
To close my eyes  
A touch away from wanting you

Don't try to look away  
When we're face to face  
I see your eyes  
That animal emotion  
You don't have to set  
Your tender trap  
It's in those eyes  
It's gonna happen anyway

(Movin' to the rhythm of your heartbeat)  
Yeah, I'm wantin', willin', touchin' you  
We'll be  
(Movin' to the rhythm of your heartbeat)  
Ooh babe  
When you get that rhythm  
Gonna move into your room

Tonight - Gimme love with no disguise  
Tonight - I see the fire in your eyes  
Tonight - So right, this night could be dynamite  
Wait'n'see  
If it pleases you it pleases me

There's nothing I can say  
No mystery  
It's in your eyes  
Those eyes are where I wanted them  
So give me heart'n'soul  
I lose control  
Can't stop my eyes  
From fallin' into fantasy

[Repeat Bridge]  
[Repeat Chorus]

Tonight - Gimme love with no disguise  
Tonight - I see the fire in your eyes  
Tonight - I wanna win the greatest prize  
Tonight - So right, this night could be dynamite  
Wait'n'see  
If it pleases you it pleases me
