

# Def Leppard, Two Steps Behind (Electric Version)

Walk away if you want to  
It's ok, if you need to  
You can run, but you can never hide  
See my shadow come creeping up beside you  
There's a magic running through your soul  
But you can't have it all

Whatever you do  
I'll be two steps behind you  
Wherever you go  
and I'll be there to remind you  
that it only takes a minute of your precious time  
to turn around and I'll be two steps behind.

Take the time  
and think about it  
Walk the line, you just can't fight it  
Look around and see what you can find  
Like a fire that's burning up inside me,  
There's a magic running through your soul  
But you can't have it all

[Repeat Chorus]

(so watch out)

There's a magic running through your soul  
but you can't have it all, no,

[Repeat Chorus]

Just turn around, I'll be two steps behind  
I'll be two steps behind you  
and I'll be there to remind you,  
yeeeeaaaah, yeeeeeeeah
