

# Def Leppard, When Saturday Comes

Wind me up and see what I can do for you  
Switch me on, I'd do anything you want me to  
Let me go and I come ticking like a timebomb  
Just call my name and I come running like a marathon

The magic and the mystery  
Out here on this field of dreams

When Saturday comes  
Nothing else matters to me  
When Saturday comes  
You got to wear your heart on your sleeve  
When Saturday comes  
Nothing else matters to me  
When Saturday comes  
The winner takes it all  
So don't let me down, don't you let me down

Sweat and blood, You know I couldn't give y'any of this  
Pain and pride, there ain't no room for second best  
Clock strikes three and it's time to be the hero  
D'you want to be a Blade, it's a feeling that you'll never know

You've got to fight it tooth and nail  
Out here on this Battlefield

When Saturday comes  
Nothing else matters to me  
When Saturday comes  
You got to wear your heart on your sleeve  
When Saturday comes  
Nothing else matters to me  
When Saturday comes  
The winner takes it all  
So don't let me down, don't you let me down

The magic and the mystery  
Out here on this field of dreams

When Saturday comes  
Nothing else matters to me  
When Saturday comes  
You got to wear your heart on your sleeve  
When Saturday comes  
Nothing else matters to me  
When Saturday comes  
You got to wear your heart  
You got to wear your heart

When Saturday comes  
Nothing else matters to me  
When Saturday comes  
You got to wear your heart on your sleeve  
When Saturday comes  
Nothing else matters to me  
When Saturday comes  
You got to wear your heart  
You got to wear your heart  
When Saturday comes
