

Def Leppard, Work It Out

Day and night black and white
You take it all for granted
I'm the one who turns you on

When you don't know where you belong
And nothin' seems to matter
I'm the one who's holding on

It's alright to be wrong
All we need's a little time
But nothing here can last that long

We show the world a brand new face
It's taken us all this time
All this time
All of this doubt
We get to work it out
All of this doubt
We get to work it out

Yesterday lost your way
Still looking for an answer
I'm the one who holds the key

When you don't know where you belong
And nothing seems to matter
I'll unlock this mystery

[Repeat Chorus]

[Guitar Solo]

[Repeat Chorus]

All of this doubt
Day and night - Black and White
Take it all for granted
We get to work it out
I'm the one who turns you on
Turns you on - Turns you on
All of this doubt

When you don't know where you belong
And nothin' seems to matter
We get to work it out
I'm the one who's holdin' on
Holdin' on - Holdin' on
