

Def Value, Fly

When I met you
I was flying
when I can't reach you
then I'm dying
I know baby
it's oh so crazy
one thing I'm sure of
is that I love you
When I met you
I was flying
when I can't reach you,
then I'm dying
I know baby
it's oh so crazy
one thing I'm sure of
is that I love you

all new to me
not being lazy
all new to me
to reach out for more
all new to me
that trembling feeling
all new to me...
and then I feel
you're in my head
and then I feel
you crawl in my bed
and then I feel
I lose it baby
I'm out of grip
I'm going crazy...
