

Deftones, My Own Summer (Shove It)

Hey you, big star, tell me when it's over

Hey you, big mood, guide me to shelter

`Cause i'm through when the two hits the six and it's summer

Cloud

Come (shove it) [x3]

Shove (shove it) [x3]

The sun (shove it) [x3]

Aside (shove it aside)

I think god is moving it's tongue

There's no crowd in the streets

And no sun in my own summer

The shade is a tool, a device, a savior

See, i try and look up to the sky

But my eyes burn

Come (shove it) [x3]

Shove (shove it) [x3]

The sun (shove it) [x3]

Aside (shove it aside)
