

Deftones, P.H7 And Plain's Version Of Root

here's our version of root. we cover the song. i'm in a band out of austin called PLAIN. - p.H7

we forced under I look unto your home, because we gave our eyes but no one will yes I know the crime

to the cause I will be bored(born?)(2nd chorus- I will evolve but you won't) we are here into your eyes it's up inside we start to cry just because I will ever limit me and suffer live or would ... live

we judge by one, or linked by three and your holes enclose, we gave our eyes, but no one will yes I know BECAUSE

and then I f**k the meaning and you won't find me and you won't find me and you won't turn away sucker(psycho) and though that means you won't find me and you won't find me and you won't so I come from sucker and though that means you won't find me and you won't find me a you won't turn away sucker and though that means you won't find me, I'm into the big CALL and, and we, we go with Jesus in a bowl of germ some more I been fly.
