

Deftones, Pink Maggit (rap Metal Version)

So run!
Right
Right back to school
Check it
Look back I sift through all the cliques
Roamin' the halls all year, makin' me sick
While everyone's out tryin' to make the cut. What!?
And when you think you know me right, I switch it up
Behind the walls, smokin' cigarettes and sippin' vodka
I profess to catch a cab, ain't noone can stop us
Give me a break about some other mess (what were you)
Go practice everything you got!

Now push back the square
Not that you need him
'Cause you don't
Well there you go
Cause back in school
We are the leaders of it all

So...

Stop that... quit
All that... quit
Who ruined it?
You did, now grab a notebook and a pen
Start taking notes, I'm being everyone who's on the top
You think we're on the same page, but oh, we're not
I'll be the man watch your back packs and the pencils
And just like he now
Flippin' it, why you just keep it simple
And you just can't go wrong rockin'
The clothes coppin' the stance
'Cause really its everything that you got

Now push back the square
Not that you need him
'Cause you don't
Well there you go
Cause back in school
We are the leaders of it all

Transpose, or stop your lies
It's what you do
Transpose or stop your lies
So run
So why don't you run, so why don't you run
So why don't you run back to school
So why don't you run, so why don't you run

All you are, now I'm on the next page
All you are, it's time to close the book up (the book up)
All you are, I'm on the next page
All you are, close the book up now

Right back to square
Not that you need him
'Cause you don't
Well there you go
Cause back in school
We are the leaders of it all

So...

Transpose, or stop your lies
It's what you do
Transpose or stop your lies
So run
So why don't you run, so why don't you run
So why don't you run back to school
So why don't you run, so why don't you run
