

Deine Lakaien, The Cabin Door

saw you with a gun
saw you with a gun
saw you with a gun
waiting for fun
could be anyone
under the sun
saw you with a gun
saw you with a gun
saw you with a gun
could be anyone
summer is on
you are too young
tes-tes-tes-tes-testosterone
for a lazy drone
your dna
blows you away
saw you with a gun
saw you with a gun
saw you with a gun
could be anyone
what have you done
prodigal son
saw you with a gun
saw you with a gun
saw you with a gun
could be anyone
no use to run
you are undone
tes-tes-tes-tes-testosterone
for a lazy drone
your dna
blows you away
