## Deine Lakaien, Traitors

Stumbling, falling, crawling trying to reach for you first time I missed you made a turn and lost my shoe oh my dear street light you keep me warm at night my wonder wonder wonder shining star wunderbar wonder shining star Have you ever asked me where I am coming from have I ever told you why I am so alone oh my compassionate light talk to me when I am tight my wonder wonder wonder shining star wunderbar wonder shining star Remember our first againtance at your iron post sat in my car when all at once my life got lost I keep a firm hold on you until the morning blue my wonder wonder wonder shining star wunderbar wonder shining star Glittering snowflakes under your golden glow wrap myself up well in my woolen coat I am lying at your feet sweet quardian over my sleep my wonder wonder wonder shining star wunderbar wonder shining star
