

Deine Lakaien, Wunderbar

So youre in love with someone else
Someone who burns within your soul
And it looks like I am the last to know
I hear youve never felt so alive
So much desire beyond control
And as usual I am the last to know
The last to know
How youre feeling
The last to know
Where you are
The last to know
If youre happy now
Or if hes treating you, like I treated you
Or if hes cruel
Ill be the last to know
We spent summers up beyond the bay
And you said these are such prefect days
That if the bomb drops baby
I wanna be the last to know
But now youre living up behind the hill
And though we share the same city and feel the same sun
When your winter comes
Ill be the last to know
Always the last to know
How youre feeling
The last to know
Where you are
The last to know
If youre happy now
Or if hes pleading with you, like I pleaded with you
If you go, dont let me be the last to know
Dont let me be the last to know
Creations gone crazy
The TVs gone mad
Now youre the only sane thing that I have
Always the last to know
How youre feeling
The last to know
Where you are
The last to know
If youre happy now
Or if hes cheating on you, like I cheated on you
Oh, oh, oh
You were the last to know
You were the last to know
Dont let me be the last to know
