

# Del Reeves, All My Friends Are Gonna Be Strangers

All the love you promised would be mine forever  
I would have bet my bottom dollar on  
Well it sure turned out to be a short forever  
Just once I turned my back and you were gone

From now on all my friends are gonna be strangers  
I'm all through ever trusting anyone  
The only thing I can count on now is my fingers  
I was a fool believing you and now you are gone  
[ steel ]  
It amazes me not knowing any better  
Than to think I had a love that could be true  
Why I should be taken out tired and feathered  
To have let myself be taken in by you

From now on all my friends...
