Del Reeves, Dime At A Time

My whole life's saving's a two dollar bill That's why I'm here tonight I've got time to kill And I can tell my story about twenty times Two dollars in the jukebox one dime at a time

Two dollars in the jukebox a dime at a time Play the same old song about a love gone wrong till closing time Two dollars oughta do me if you'll buy the wine And I'll put in the jukebox one dime at a time And I'll put in the jukebox one dime at a time
