

Del Reeves, Goin' Down The Road Feelin' Bad

Well I'm goin' down this road feelin' bad
Yes I'm goin' down this road feelin' bad
I'm goin' down this road feelin' bad
Ain't gonna be treated this way

I'm gone and I never come back
Yeah I'm gone and I never come back
I'm gone and I never come back
Ynd I ain't gonna be treated this way
(banjo)
I'm goin' and I'm tired of drivin' mules
Yes I'm goin' and I'm tired of drivin' horses
Yeah I'm goin' and I'm tired of drivin' mules
And I ain't gonna be treated this way

They picked me on the corn bread and beans
Yes they picked me on the corn bread and beans
They picked me on the corn bread and beans
And I ain't gonna be treated this way
(banjo)
