

Del Reeves, Here We Go Again

Here we go again she's back in town again
I'll take her back again one more time
Here we go again the phone will ring again
I'll be her fool again one more time

I've been there before and I'll try it again
But any fool knows that there's no way to win
Here we go again she'll break my heart again
I'll play the part again one more time

I've been there before...
I'll take her back again one more time
