

Del Reeves, I Could Never Be Ashamed Of You

Everybody says oh you let me down
That I should be ashamed to take you round
What makes no difference what you used to do
Darling I could never be ashamed of you

Maybe you were reckless yesterday
But together we can find a brighter way
In my heart I know that you'll come true
Darling I could never be ashamed of you
(harmonica)

All the happiness I've ever known
Came the day you said you'd be my own
And it matters not what we go through
Darling I could never be ashamed of you

Maybe you were cheated in the past
And perhaps those memories will always last
Even though you prove to be untrue
Darling I could never be ashamed of you
Darling I could never be ashamed of you
