

# Del Reeves, Our Way Of Life

Standing on the road walking down the highway  
Ain't going nowhere but that's our way of life

I never had a lot of ambition but I always made my own way  
By turnin' a couple of jobs in some ladies' backyard  
I averaged about a dollar a day  
I wake up early each morning and before I started on my way  
I get some cigarettes and a couple of cups of coffee  
A sweepin' the local city cafe

Standing on the road walking down the highway...

I never had no one to love me never had girl to call my own  
I never would take a chance to fool with romance  
I guess I'm too used to being alone  
Nobody wants a drifter well I gotta keep moving on  
There's nothing to tie me down when I wanna leave town  
Nobody to miss me when I'm gone

Standing on the road walking down the highway...
