

# Del Reeves, Six Days On The Road

Well I pulled out of Pittsburgh a rollin' down that Eastern Sea board  
I got my diesel wound up and she's runnin' like a never before  
There's a speed zone ahead alright I don't see a cop in sight  
Six days on the road and I'm a gonna make it home tonight

I got ten forward gears and George overdrive  
Taking little white pills and my eyes are open wide  
I just passed a Jimmy in white I been passin' everything in sight  
Six days on the road and I'm a gonna make it home tonight

Well that ICC is checkin' on down the line  
Well I'm a little overweight and my log book's way behind  
But nothin' bothers me tonight I could dodge all the scales alright  
Six days on the road and I'm a gonna make it home tonight

Well it seems like a month since I kissed my baby goodbye  
I could have a lotta women but I'm not like some other guys  
I could find one to hold me tight I could never make believe it's alright  
Six days on the road and I'm a gonna make it home tonight

Oh my rig's a little old but that don't mean she's slow  
There's a flame from my stack and she's a blowin' black as coal  
My hometown's a comin' in sight if you think I'm a happy you're right  
Six days on the road and I'm a gonna make it home tonight
