

Del Reeves, Swinging Doors

This ol' smoke filled bar is something I'm not used to
But I gave up my home to see you satisfied
I just called to let you know where I'll be living
It's not much but I feel welcome here inside

I've got swinging doors a jukebox and a barstool
And my new home has a flashing neon sign
Stop by and see me anytime you want to
Cause I'm always here at home till closin' time
[steel - guitar]
I've got everything I need to drive me crazy
I've got everything it takes to lose my mind
And in here the atmosphere's just right for heartaches
And thanks to you I'm always here till closing time

I've got swinging doors...
Yes I'm always here at home till closin' time
