

# Del Shannon, Are You Loving Me

I lay here every night  
you're dancing in my sleep  
You walk into a room  
and I can hardly speak  
Don't you know what I've been thinking  
If you don't know I'll tell you now  
When you speak I hear angels singing  
I can see it when I look into your eyes.

Than I wanna hold you  
I wanna be with you  
I'm in love with you are you lovin' me  
too?

I don't know  
what it is but when you  
started comin' around  
I took one look at you  
now my feet ain't touchin' the ground  
I think you know what I've been feelin'  
do you feel the same way  
too  
Do you feel the way my heart is beatin'  
Can't you see it when you look into my eyes?
