

# Del Shannon, Little Town Flirt

Here she comes, that little town flirt  
You're falling for her and your gonna get hurt  
Yeah, I know it's so hard to resist  
The temptation of her tender red lips  
But you can get hurt, hur-hur-hurt  
Yeah, you can get hur-hur-hur-hur-hurt  
Foolin' around with that little town flirt

Here she comes with that look in her eye  
She plays around with every guy that goes by  
Yeah, I know she's gonna treat you wrong  
So your heart just better be strong  
'Cause you can get hurt, hur-hur-hurt  
Yeah, you can get hur-hur-hur-hur-hurt  
Foolin' around with that little town flirt

I know how you feel, you think her love is real  
You think this time she'll be sincere  
But you'll think you gotta paper heart  
When she starts to tear it apart  
That's when she'll let you go  
Whoa whoa whoa

Here she comes, just look at that style  
She's looking at you, giving you that smile  
But I know she's gonna treat you wrong  
So your heart just better be strong  
'Cause you can get hurt, hur-hur-hurt  
Yeah, you can get hur-hur-hur-hur-hurt  
Foolin' around with that little town flirt

You better run and hide now, boy  
You better pass her by now, yeah boy  
You better run away now, yeah
