

# Del Shannon, So Long Baby

I see you're laughing and  
a-telling everyone in town  
that you've made a fool of me  
Well go ahead and talk some more  
'cause, baby, I don't care no more  
You don't bother me at all

'cause I got news for you:  
I was untrue too  
And I don't care what you say  
So go and laugh some more  
'cause baby I don't care no more  
I got another lover of my own

Step by step you put me down  
Always calling me a clown  
If you ever go away  
Promise that you'll stay  
Far, far, far away from me

Now that we played our game  
I guess we're both to blame  
We tried to break each other's hearts  
You had one jump on me  
But I jumped twice, you see  
It's over now, be on your way

So long, baby, be on your way  
I had a ball, you thought I'd fall  
You had one jump on me  
But I jumped twice, you see  
It's over now, be on your way

So long, baby, be on your way  
So long, baby, be on your way  
So long, baby, be on your way
