

Delain, Amenity

I've got an amenity
[...] the world.
But tonight she may fall,
Demon of insanity.
Will I strike my sanity?
The end of days, the end of days.

I should [...]
Staring evolution
The stupids ignore

You must be a loving god
Who taste it out of time.
Should I drown [...]

(This was the best I could do, not being English... may someone help filling in the gaps? . .)

God of Amenity?
More like rules the world.
But tonight she may fall.
Demon of insanity.
Will her strength last until
The end of days? The end of days.

Till I drown [...]
A world of battle [...]

While she falls on her knees,
the angel flies.
[...] people don't scatter,
they reunite.
After here is the firey insanity
The fire [...]

The battle for [...]
