

# Delinquent Habits, Lower East Side

In this little session of the promised land  
where I lounge wit my homeys and i'm freakin' my friend  
sittin' in the ride  
pop it in drive, i'm rolling through the east side  
now hold up, check teh sound flip that bitch  
I gots the 6-shoota' down to my side  
lower, slower, down for the dip  
there's a party goin' on swingin' all night long  
but if a sucka' wanna trip struttin' up beat  
they come from mile around to see me freak their flong  
i got a gang of hounds to make 'em pop teeth  
i now this crazy-ass fool, bringin' old sasson  
i got the brass for your ass,  
homeboy thought you knew that...

Chorus:

I got homeys on the south side  
I know some vatos on the east side  
some my homeys wanna g-ride  
we're brining up the lower eastside (x2)  
Los Delinquentes, trippin' up the place i hang

hey, it's the guera loco wit the way i swang  
see i be rollin through this  
and my right hand man is Keemo, un delincente con el gloc en mi hand  
funky wit the lower eastside fundamentals  
es mi vida loca, i'm waistin my potential  
lower rides, place between the 5 and the 91, north of Velandra  
I was wit my su-man, my former kung-fu man  
my name, Mr. Ives, ( who the motha'f\*\*k are you man?)  
well, i'ma roll this grica to let me fingers twitch

'cause the lower eastside's up in this bitch and...

Chorus

Well let me think now  
i got some homeys a hop skip a jump away  
what do i wanna play  
where i can always go and catch me a slug fest(what?)  
that's where teh homeys will be kickin' it  
tengo familia all the way up in teh midwest  
well let me come back around the grounds where i lounge  
the 40-ounce booze and lounge wit my hounds  
shh, escucha, here comes teh man  
(hey yo that's the N-double guera-5, isn't?)right  
but i know these streets like the back of my hand  
so while the swiney guy be lookin' around  
because, the cuffs won't click  
the charges won't stick  
i be flippin' a frown, as i pump my shi  
there's nowhere you could ever take a drag boy  
because i break putos of drive-bys  
i wonder when these people gonna get the f\*\*k up off my dick  
just a twist of teh cap from the 40 in my lap  
wanna scrap we scrap  
wanna blast i'm strapped  
tell me...
