

# Delirious?, I'll See You

Ill see you when I get there,  
Shining like the sun.  
Ill see you when I get there,  
Into your arms Ill run.

I see you when the wind blows,  
Running without fear,  
Born to rest in your fathers arms,  
Your joy has dried the tears.

Ill see you when I get there,  
When my lifes complete,  
Will you take me to Jesus feet?  
Hand in hand well sing.

Were gonna sing for you
