

Delta Goodrem, Visualise

Visualise winning
It's all in the mind
If your head is spinning
Find a way
To make it fly

I can really feel your pain
It eats into my soul

We can make this together
You must never surrender
This is now or never
Close your eyes
And visualise

Visualise swimming
In the oceans
In the sky
Go back to the beginning
To the place where you can fly

Whole lives can get crystallized
In moments like this

We can make this together
You must never surrender
This is now or never
Close your eyes
And visualise

oh!!!

I visualise happiness
A thousand words I can't express
I visualise healthiness
A part of me won't be suppressed
I visualise laughing hard
and open up a deck of cards
Singing til the day is through
I make a call
I know it's you

We can make this together
You must never surrender
This is now or never
Close your eyes
And visualise

And visualise
