(Piosenka "Heart By Heart" będzie promowała film "Dary Anioła: Miasto Kości". Obraz w Polsce będzie

When your soul finds the soul it was waiting for  
When someone walks into your heart through an open door  
When your hand finds the hand it was meant to hold  
Don't let go  
Someone comes into your world  
Suddenly your world has changed forever

No there's no one else's eyes  
That could see into me  
No one else's arms can lift  
Lift me up so high  
Your love lifts me out of time  
And you know my heart by heart

When you're one with the one you were meant to be find  
Everything falls in place, all the stars align  
When you're touched by the cloud that has touched your soul  
Don't let go  
Someone comes into your life  
It's like they've been in your life forever

No there's no one else's eyes  
That could see into me  
No one else's arms can lift  
Lift me up so high  
Your love lifts me out of time  
And you know my heart by heart

So now we've found our way to find each other  
So now I found my way, to you

No there's no one else's eyes  
That could see into me

No there's no one else's eyes  
That could see into me  
No one else's arms can lift  
Lift me up so high  
Your love lifts me out of time  
And you know my heart by heart

And you know my heart by heart

And you know my heart by heart

And you know my heart by heart
