

# Demi Lovato, Here We Go Again

I threw all of your stuff away.  
I gotta to clear you out of my head.  
I take you out of my heart,  
and ignored all your messages.  
I tell everyone when we got through  
cause I'm so much better without you.  
But it's just another pretty lie.  
Cause I break down,  
everytime you come around.  
O Oh

Chorus

So how did you get here  
under my skin?  
I swore that I'll never let you back in.  
Should have known better  
in trying to let you go,  
cause here we go go go again.  
As hard as i try i know i can't quit  
There's something about you  
that's so addicting.  
We're falling together  
you'd think that by now i'd know  
cause here we go go go again.

You never knew you want  
and you never say what you need.  
but I start to go insane  
everytime that you look at me.  
You only hear half of what I say,  
and you're always showing up too late.  
And I know that I should say goodbye,  
but its no use.  
Can't be with or without you  
O Oh

Chorus

So how did you get here  
under my skin?  
I swore that I'll never let you back in.  
Should have known better  
in trying to let you go,  
cause here we go go go again.  
as hard as i try i know i can't quit  
There's something about you  
that's so addicting.  
We're falling together  
you'd think that by now i'd know  
cause here we go go go again.

Bridge:

And you came (and you came).  
And you came.  
I threw all of your stuff away.  
and I clear you out of my head  
And I tore you out of my heart.  
O Oh

Chorus

So how did you get here  
under my skin?  
I swore that I'll never let you back in.  
Should have known better  
in trying to let you go,

cause here we go go go again.  
as hard as i try i know i can't quit  
There's something about you  
that's so addicting.  
We're falling together  
you'd think that by now i'd know  
cause here we go go  
here we go again,  
here we go again.  
Should've know better  
In trying to let you go  
cause here we go go go again.  
Go again...
