Never be  
(Never, never)

Ain't it plain to see  
Tell me honestly  
Don't my eyes  
Speak up for me  
(Never, never)  
You're always true to me  
How can I make it real  
Why can't you see  
The way I feel

Ain't it plain to see  
Tell me honestly  
Don't my eyes  
Speak up for me  
(Never, never)  
You're always true to me  
How can I make it real  
Why can't you see  
The way I feel
