Demi Lovato, On The Line

Didn't wanna say I'm sorry For breaking us apart I didn't wanna say It was my fault Even though I knew it was

I didn't wanna call you back 'Cause I knew that I was wrong Yeah, I knew I was wrong

One in the same
Never to change
Our love was beautiful
We got it all
Destined to fall
Our love was tragical
Wanted to call
No need to fight
You know I wouldn't lie
But tonight
We'll leave it on the line

Listen baby,

Never would've said forever If we knew it ends so fast Why did you say I love you If you knew that it wouldn't last?

Baby, I just can't hear what you're saying The line is breaking up Or is that just us? Or is that just us?

One in the same
Never to change
Our love was beautiful
We got it all
Destined to fall
Our love was tragical
Wanted to call
No need to fight
You know I wouldn't lie
But tonight
We'll leave it on the line

I try to call again, I get your mailbox Like a letter left unread Apologies are often open ended But this was better left unsaid

One in the same
Never to change
Our love was beautiful
We got it all
Destined to fall
Our love was tragical
Wanted to call
No need to fight
You know I wouldn't lie
But tonight
We'll leave it on the line

We'll leave it on the line Yeah, oh yeah We'll leave it on the line, tonight
