

# Demi Lovato, Sexy Dirty Love

[Verse 1]

Hittin' me up late always be blowin' up my phone  
I'm lying awake wonderin' why I'm still alone  
Lord knows I am sinning, please forgive me for my lust  
Sending pictures back and forth  
Babe, I'm craving your touch

[Pre-Chorus]

You're my new obsession  
Let go of any hesitation  
Baby, be my new addiction  
Intoxicate me gently with your loving

[Chorus]

You got me so high  
Pull me closer into you and watch our bodies intertwine  
I feel so alive  
You know what I'm thinking of  
Got me dreamin' 'bout that sexy dirty love  
Sexy dirty love (dirty love) (sexy, sexy... yeah)  
Sexy dirty love (dirty love) (sexy, sexy... yeah)  
Sexy dirty love (dirty love) (sexy, sexy... yeah)

[Verse 2]

Now you're teasing me and I can't help but do the same  
Whispering through your phone, now you're driving me insane  
It's like you're getting off on messing with my sanity (sanity)  
Hang up, come on over  
Let's play out this fantasy

[Pre-Chorus]

You're my new obsession  
Let go of any hesitation  
Baby, be my new addiction  
Intoxicate me gently with your loving

[Chorus]

You got me so high  
Pull me closer into you and watch our bodies intertwine  
I feel so alive  
You know what I'm thinking of  
Got me dreamin' 'bout that sexy dirty love  
Sexy dirty love (dirty love) (sexy, sexy... yeah)  
Sexy dirty love (dirty love) (sexy, sexy... yeah)  
Sexy dirty love (dirty love) (sexy, sexy... yeah)

[Bridge]

You're my new obsession  
Let go of any hesitation  
Baby, be my new addiction  
Intoxicate me gently with your loving, oh

[Chorus]

You got me so high  
Pull me closer into you and watch our bodies intertwine  
I feel so alive  
You know what I'm thinking of  
Got me dreamin' 'bout that sexy dirty love  
Sexy dirty love (dirty love) (sexy, sexy... yeah)  
Sexy dirty love (dirty love) (sexy, sexy... yeah)  
Sexy dirty love (dirty love) (sexy, sexy... yeah)
