Demi Lovato, That's how you know

How does she know that you love her How do you show her you love her How does she know that you realy realy truly love her It's not enough to take the one you love for granted You must remid her or she'll be inclined to say How do I know he loves me How do I know he's mine Does he leave a little note to tell you you are on his mind Send you yellow flowers when the sky is grey He'll find a new way to show you a little bit everyday That's how you know That's how you know He's your love Everybody wants to live happily ever after Everybody wants to know the true love is true How do you know he loves you How do you know he's yours Does he take you out dancing just so he can hold you close Dedicate a song with words meant just for you He'll find his own way to tell you with the little things he'll do That's how you know That's how you know He's your love He's your love How does she know that you love her How do you show her you love her How does she know that you realy realy truly love her That's how you know he's true Becouse he'll wear your favourite colour just so he can match your eves Rent a private picnic by the fire glow oh oh His heart will be yours forever something everyday will show That's how you know That's how you know That's how you know That's how you know He's your love
