

# Demi Lovato, WASTED

Like a light weight, like a cheap date  
Like a teenage kinda first taste  
I'm scared of the come down  
I don't think I'll know how  
To live without this now

Will my heart stop? Will I withdraw?  
Can I detox if the shoe drops?  
I'm wiser and older  
I'm clean and I'm sober  
So I can't figure out

How I'm wasted (Wasted, wasted)  
I'm faded (Faded, faded)  
The highest high can't hold a candle to  
Getting wasted on you

Happened so fast, I can't hold back  
I'm addicted, we both know that  
It feels like it's dangerous  
And I wanna chase it  
'Cause just one look at you

And I'm wasted (Wasted, wasted)  
I'm faded (Faded, faded)  
The highest high can't hold a candle to  
Getting wasted on you

Oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh  
Oh-oh-oh-oh

I'm wasted (Wasted, wasted)  
I'm faded (Faded, faded)  
The highest high can't hold a candle to  
Getting wasted on you

Wasted  
I'm faded  
The highest high can't hold a candle to  
Getting wasted on you
