

# Demis Roussos, Forever And Ever

Ever and ever, forever and ever you'll be the one  
That shines on me like the morning sun  
Ever and ever, forever and ever you'll be my spring  
My rainbow's end and the song I sing

Take me far beyond imagination  
You're my dream come true, my consolation

Ever and ever, forever and ever you'll be my dream  
My symphony, my own lover's theme  
Ever and ever, forever and ever my destiny  
Will follow you eternity

Take me far beyond imagination  
You're my dream come true, my consolation

Ever and ever, forever and ever you'll be the one  
That shines in me like the morning sun  
Ever and ever, forever and ever my destiny  
Will follow you eternity
