

Demis Roussos, Lost In Love

Realise, this part of love is the thinnest lies
That don't count for much but I'm not letting go
I believe there's so much to believe in

Chorus:

So lift you're eyes, if you feel you can
Reach for a star and I'll show you a plan
I figured it out, what I needed was someone to show me

You know you can't fool me,
I've been loving you too long
It started so easy,
You want to carry on

Lost in love and I don't know much
'cuz I'm thinking a lot and I fell out of touch
I'm back on my feet and I'm eager to be what you wanted

Chorus

You know you can't fool me,
I've been loving you too long
It started so easy,
You want to carry on

Lost in love and I don't know much
'cuz I'm thinking a lot and I fell out of touch
I'm back on my feet and I'm eager to be what you wanted

Chorus

Lost in love and I don't know much
'cuz I'm thinking a lot and I fell out of touch
I'm back on my feet and I'm eager to be what you wanted

Chorus
