

Demis Roussos, My Face In The Rain

My face in the rain
I walk all alone
It's Sunday time is slow,
I'm happy that is all I know

My thoughts to the sun
I'm walking all alone
In a state of grace
All my life is on my own
I am happy that is all I know

My face in the rain,
and everything is [falling] now
my life is a song
It's Sunday time is slow,
I'm happy now, that is all I know

[interlude]

My face in the rain
rain falling down in a state of grace
I'm walking all alone now
I'm happy now that is all I know

My face to the sun,
I'm walking all alone
In a state of love
Ooh, It's Sunday time is slow
I'm happy now that is all I know My face, looking at the rain (sing it again now)
I'm walking all alone
walking all alone now (walking all alone, all right)
a Sunday, and a Sunday afternoon
I'm walking all alone
and I am happy now
hm

Ooo, My face [up/at] the sun (Oh yeah)
I'm walking all alone now (walking all alone all right)
Sunday, Sunday
and my face in the rain
and I'm happy, but I'm happy that I was all alone
happy, happy, now
'cause I'm walking all alone

happy, happy, now
'cause I'm walking all alone
happy, happy, now
I'm just walking all alone
happy, happy, now
I'm just walking all alone
happy, happy, now
I'm just walking all alone
happy, happy, now
I'm just walking all alone
