

Demis Roussos, Perdoname

Now the time has come to say goodbye
But I dont want to see you start to cry
Now at last comes the end of the game
We knew we have to face it

Close yours eyes and let me go away
And believe me, I really tried to stay
Theres no reason and no ones to blame
Somehow well have to take it

Perdoname
If I hurt you I am sorry
Im just a stranger who came from nowhere
One rainy day

Perdoname
If I hurt you I am sorry
Youll find a new love
And youll discover a bright new day

Now the time has come to say goobye
But I dont want to see you start to cry
Now at last comes the end of the game
We knew we have to face it

Perdoname
If I hurt you I am sorry
Im just a stranger who came from nowhere
One rainy day

Perdoname
If I hurt you I am sorry
Youll find a new love
And youll discover a bright new day.
