

# Demis Roussos, So Dreamy

How was I to know  
That from our very first hello  
I'd feel so dreamy (so dreamy)  
You came rushing in  
With all the promises of spring  
When I was lonely (so lonely)  
Everything she knew  
Almost unreal because of you  
I felt so dreamy (so dreamy)  
Love had come to me  
So very unexpectedly  
I was so lonely (so lonely)

Dreaming of the time  
I'll hear you say that you'll be mine  
Until the end of time  
All I ever knew could never be compared to you  
And it's so far behind  
Dreaming for a while  
Each time you make me realize  
That all I see is real  
I could never find the words to say  
The way I feel

Hello morning sun  
Another day has just begun  
And it's so dreamy (so dreamy)  
Where can I begin to say the love I feel within  
I feel so dreamy (so dreamy)

Dreaming of the time  
I'll hear you say that you'll be mine  
Until the end of time  
All I ever knew could never be compared to you  
And it's so far behind  
Dreaming for a while  
Each time you make me realize  
That all I see is real  
I could never find the words to say  
The way I feel

How was I to know  
That from our very first hello  
I'd feel so dreamy (so dreamy)  
You came rushing in  
With all the promises of spring  
When I was lonely (so lonely)  
Everything she knew  
Almost unreal because of you  
I felt so dreamy (so dreamy)  
Love had come to me  
So very unexpectedly  
I was so lonely (so lonely)

## MY FRIEND THE WIND

My friend the wind will come from the hills  
When dawn will rise he'll wake me again  
My friend the wind will tell me a secret  
He shares with me, he shares with me

(My friend the wind will come from the heart)  
(With words of love she'll whisper for me)  
(My friend the wind will say she loves me)

(And me alone, and me alone)

I'll hear her voice and the words  
That he brings from Helenimou  
Sweet as a kiss are the songs of Aghapimou  
Soft as the dew is the touch of Manoulamou  
Oh oh oh

We'll share a dream where I'm never away from Helenimou  
Blue are the days like the eyes of Aghapimou  
Far from the world will I live with Manoulamou  
Oh oh oh oh oh

My friend the wind go back to the hills  
And tell my love a day will soon come  
Oh friendly wind do tell her our secret  
You know so well, oh you know so well

My friend the wind will come from the north  
With words of love, she whispered for me  
My friend the wind will say she loves me  
And me alone, and me alone

I'll hear her voice and the words  
That he brings from Helenimou  
Sweet as a kiss are the songs of Aghapimou  
Soft as the dew is the touch of Manoulamou  
Oh oh oh

We'll share a dream where I'm never away from Helenimou  
Blue are the days like the eyes of Aghapimou  
Far from the world will I live with Manoulamou  
Oh oh oh

La la la .... Helenimou  
La la la .... Aghapimou  
La la la .... Manoulamou  
Oh oh oh  
La la la .... Helenimou  
La la la .... Aghapimou
