

Denis Leary, Fat F**ks

Been to Vegas lately, any of you? Cause I was there for a couple of weeks, when we were on tour.

And they keep finding more denial stuff. There's a doctor now, I'd like to see what size he is, a doctor.

Remember the 7,000 pound guy on Long Island a couple years ago, had chest pains, and they had to

See, I could never be a fat guy. I'll tell you why. One simple reason: the first day I wake up and can't

I love my dick. My dick loves me. I love my balls too, it's kind of a love triangle thing we have going

I also wanna make an announcement, that I am pro-tit all the way. President Leary is pro-tit all the way

(backwards gibberish)

"What are you doing, man?"
