

Denison Witmer, I Won't Leave

I think it's fair, to say that I
I knew you best, way back when
The place you'd live
The things you'll do
The choice you had
That I could never understand

And, you could throw it all away
And, you could throw it back to me
I won't leave (2x)

I think it's fair, to say you've changed
But day by day, it's something I can understand

And, you could throw it all away
And, you could throw it back to me
I won't leave (2x)

And, I'm sorry that it ends this way
And, I hope you can still love me
I won't leave (3x)
