Denison Witmer, I Won't Leave

I think it's fair, to say that I I knew you best, way back when The place you'd live The things you'll do The choice you had That I could never understand

And, you could throw it all away And, you could throw it back to me I won't leave (2x)

I think it's fair, to say you've changed But day by day, it's something I can understand

And, you could throw it all away And, you could throw it back to me I won't leave (2x)

And, I'm sorry that it ends this way And, I hope you can still love me I won't leave (3x)
