Dennis DeYoung, Don't Wait For Heroes

I've got my dreams I know you think that's crazy But I won't give up 'Cause I've got this burning desire in me Oh baby it's me

While the world sleeps
I sit up all night thinking
And making my plans
'Cause there's something special ahead for me
Something ahead for me

So don't you tell me that I'm wasting my time, running my life And that the odds against me are a million-to-one, don't be concerned I'll take the heat for all the chances I'm gonna take Mistakes that I'll make Wait and see You're gonna hear from me

So don't wait for heroes, do it yourself You've got the power Winners are losers Who got up and gave it just one more try One more try...One more try

If you're waiting for that miracle train to call out your name And if you think the rainbow always finds someone else, never yourself Just look inside and find that spark that's burning in you Follow it through The light you find Well, it could change your life

So don't wait for heroes
Think for yourself
Make your own choices
You know it's easy
To follow the crowd
But my advice is
Don't wait for heroes
Believe in yourself
You've got the power
Winners are losers
Who got up and gave it just one more try
