

# Dennis DeYoung, It's In Everyone Of Us

It's in every one of us to be wise  
Find your heart and open up both your eyes  
We can all know everything without ever knowing why  
It's in every one of us by and by

It's in every one of us to be wise  
Find your heart and open up both your eyes  
We can all know everything without ever knowing why  
It's in every one of us by and by

It's in every one of us  
I just remembered  
It's like I've been sleeping for years  
I'm not as awake as I can be  
But the feeling's better  
I can see through my tears

I've been realizing that I  
Bought this ticket  
And watching only half of the show  
But there are scenery and lights  
And a cast of thousands  
Who all know what I know  
And it's good

It's in every one of us to be wise  
Come find your heart and open up both your eyes  
We can all know everything without ever knowing why  
It's in every one of us by and by  
It's in every one of us by and by
