

# Dennis Wilson, Farewell My Friend

Farewell my friend  
My beautiful friend  
Farewell

You take the high road  
And I'll take the low road  
And we'll meet again  
Farewell my friend

I love you  
In a funny way

You take the high road  
I'll take the low road  
And we will meet again  
Farewell my friend

Oh, I want to see you again, oh farewell  
Oh, I want to see you again, farewell  
Oh, I'm on the mountain again, oh farewell  
Oh, I want to see you again, oh my friend  
Oh, that's when I'll see you again, farewell  
Oh, I want to see you again
