

Depeche Mode, Boys Say Go

Boys say go! Boys say go!
Boys say go! Boys say go!
You don't understand this is in demand
And I think that I have to show you
Try to look inside take me for a ride
In the day and the night get to know you
Boys meet boys get together
Boys meet boys it's forever
Don't say no! Boys say go!
I could run away if you never stay
In the rain and the pain and the sorrow
I'm not very sure when you close the door
If the end it's the same as tomorrow
Boys meet boys get together
Boys meet boys it's forever
Don't say no! Boys say go!
Boys, boys, boys, boys
Boys say go!
You don't understand this is in demand
And I think that I have to show you
Try to look inside take me for a ride
In the day and the night get to know you
Boys meet boys get together
Boys meet boys it's forever
Don't say no! Boys say go!
Go, go, go, go...
