

Depeche Mode, Dreaming Of Me

Light switch, man switch
Film was broken only then
All the night, views tomorrow
Dancing with a distant friend
Filming and screening
I picture the scene
Filming and dreaming
Dreaming of me
And so we left understanding
Clean cuts on the sounding past
Talked of sad, I talked of war
I laughed and climbed the rising cast
Filming and screening
I picture the scene
Filming and dreaming
Dreaming of me
Quickly I remember views
And saw a face before
Timing, reason, understanding
Like association hole
Filming and screening
I picture the scene
Filming and dreaming
Dreaming of me
Dreaming of me
Just dreaming of me
It's only me
Just me
