Depeche Mode, Insight

This is an insight Into my life This is a strange flight I'm taking My true will Carries me along

This is a soul dance Embracing me This is the first chance To put things right Moving on Guided by the light

And the spirit of love Is rising within me Talking to you now Telling you clearly The fire still burns

Wisdom of ages Rush over me Heighten my senses Enlighten me Lead me on Eternally

And the spirit of love Is rising within me Talking to you now Telling you clearly The fire still burns

I'm talking to you now The fire still burns Whatever you do now You've got to give love The world still turns

I'm talking to you now
