

# Depeche Mode, It's No Good (1997)

I'm gonna take my time  
I have all the time in the world  
To make you mine  
It is written in the stars above  
The gods decree  
You'll be right here by my side  
Right next to me  
You can run but you cannot hide

Don't say you want me  
Don't say you need me  
Don't say you love me  
It's understood  
Don't say you're happy  
Out there without me  
I know you can't be  
'cause it's no good

I'll be fine  
I'll be waiting patiently  
Until you see the signs  
And come running to my open arms  
When will you realise  
Do we have to wait till our worlds collide  
Open up your eyes  
You can't turn back the tide

Don't say you want me  
Don't say you need me  
Don't say you love me  
It's understood  
Don't say you're happy  
Out there without me  
I know you can't be  
'cause it's no good

I'm gonna take my time  
I have all the time in the world  
To make you mine  
It is written in the stars above

Don't say you want me  
Don't say you need me  
Don't say you love me  
It's understood  
Don't say you're happy  
Out there without me  
I know you can't be  
'cause it's no good

Don't say you want me  
Don't say you need me  
Don't say you love me  
It's understood  
Don't say you're happy  
Out there without me  
I know you can't be  
'cause it's no good
