## Depeche Mode, Just Can't Get Enough (Schizo N

When I'm with you baby, I go out of my head And I just can't get enough I just can't get enough All the things you do to me and everything you said And I just can't get enough I just can't get enough

We slip and slide as we fall in love And I just can't seem to get enough

We walk together, we're walking down the street And I just can't get enough I just can't get enough Every time I think of you I know we have to meet And I just can't get enough I just can't get enough

It's getting hotter, it's our burning love And I just can't seem to get enough

I just can't get enough x16

And when it rains, you're shining down for me And I just can't get enough I just can't get enough Just like a rainbow you know you set me free And I just can't get enough I just can't get enough

You're like an angel and you give me your love And I just can't seem to get enough

I just can't get enough Repeat to end
